LR 15

the Chair is pleased to announce that Senator Moore has some guests in the north balcony, 28 fourth grade students from St. John's Lutheran School in Seward, with their teacher. Would you people please stand and be recognized. Thank you. We're glad to have you visiting with us today. Also, under the south balcony, the son of former State Senator Harold Sieck, Jerry Sieck and his daughter, Heide, who is, incidentally, the Grand Bethel Honored Queen of Jobs Daughters, and Julie Reno, the Grand Guardian of Jobs Daughters. Under the south balcony. Thank you. We're especially pleased to have you with us today. While the Legislature is in session and capable of transacting business, I propose to sign and I do sign Engrossed LB 828, LB 606, LB 602, LB 520, LB 383A, LB 383 and LB 190. Further discussion on the motion to bracket. Senator Lamb.

SENATOR LAMB: Yes, Mr. President and members, I support the motion to bracket, but...because I agree with what Senator Hall has said, this Christmas tree has gotten loaded down enough. It's a bill that's worth passing. We have already spent far too much time on it. I think if we get work permits into this bill, it's probably not going to go this year. So I support the bracket motion and, hopefully, at the end of this period of time we can pass the bill in substantially its present form.

SPEAKER BARRETT: Thank you. And while the Legislature is in session and capable of transacting business, I propose to sign and I do sign LR 15. Senator Elmer.

SENATOR ELMER: Mr. President and members, I agree with Senator Lamb and Senator Hall, a work permit issue is a separate issue and I feel should be considered separately. If attached to this bill, it would probably ensure the bill's failure. I would support the bracket motion.

SPEAKER BARRETT: Thank you. Any other discussion? Senator Hall.

SENATOR HALL: I think it was Senator Wesely's motion to bracket the bill and...

SPEAKER BARRETT: Would you care to close, Senator Wesely.

SENATOR WESELY: I think it's...no, I just would ask to give us two weeks to work with the Attorney General on answering some questions.
